

Colleagues,

For the 5th year Thermeon will have a stand at WTM. This is the biggest travel tradeshow in the world and this year is expected to break all previous attendance records.

If you would like to meet up, please contact either [Roland Keogh](#), [Russell Lindfield](#) or your local Thermeon contact.

Until next time!

Terry

WTM London 2015 – Only a few weeks away!

Visit Thermeon at Stand TT 406 at World Travel Market – London in November.

This year Thermeon are located at the entrance to the Travel Technology section of WTM at the N1 gate. We are on the left hand side as you enter through that gate and we'll have people from our Business Development, Customer Management and Support teams there ready to welcome you and talk to you about your plans and opportunities at WTM and beyond. We look forward to meeting new business contacts at TT406 and our Sales team there will talk with you about your requirements and how cars+ will help drive new business to your operation, reduce your costs and improve profitability.

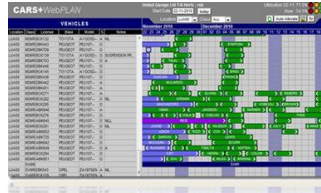

Talk to us about your requirements today and your plans for tomorrow.

Thermeon has world class applications in the cars+ portfolio. These include

webPLAN

webPLAN helps you visualise live availability and make decisions to increase yield.

webXML

Over 70 broker, wholesaler, Aggregator and price comparison partners – bring your business to the forefront of car rental and gain that item of business that will benefit your profit line. This area of business is *super-competitive* but you can stay ahead of the trends and ensure that your competitive Pricing and availability adds revenue to your business.

Mobile opportunities

We work with partners to provide links from other websites, but your own website benefits from local, domestic and international business by being available to all platforms, including mobile...this way you reach an audience that's just arriving to car rental – in terms of demographic, technology and requirement.

More technology!

Take a look at our applications which help you reduce queuing at rental counters and which speed up customers returning. Express rental options to speed up service at the counter and immediate access to customers when they return their rental car to give them completed receipts and reduce your chargebacks and other customer service issues.

cars+

Start your 2016 rental season with the best rental system and see your business grow and costs reduce.
